

The graph displays two curves on a coordinate system with the x-axis labeled 'x' ranging from 0 to 10. The y-axis is unlabeled. The legend indicates two series: 'Bronze.txt' (black line) and 'GP Solution' (blue line). Both curves are U-shaped, starting at x=0, reaching a minimum around x=3.5, and then increasing. The 'GP Solution' curve is slightly higher than the 'Bronze.txt' curve for x > 4.

x	Bronze.txt	GP Solution
0	~1.5	~2.5
2	~0.5	~1.5
4	~0.2	~0.5
6	~1.5	~1.2
8	~4.5	~3.5
10	~9.5	~6.5
